

GETTING VAXXED SE ESTÁ HACIENDO VIRAL

Comparte tu experiencia cuando te vacunes para animar a otros a vacunarse contra el COVID-19.

You're protecting yourself and your campus community by getting vaccinated against COVID-19. But vaccines work best when as many people as possible get vaccinated, not just you.

Do even more para protegerte y proteger a tu comunidad.

Help people overcome their fears and skepticism about the COVID-19 vaccines by sharing your vaccination story on social media. Comparte tu experiencia cuando te vacunes para animar a otros a vacunarse contra el COVID-19.

And don't forget to include the hashtag **#WeCanDoThis!**
